SANITARY WARES

— the sound of quality —

Bell products are designed to deliver
ultimate fusion of **sophistication**
and **satisfaction** along with
value for money

that's why we call it
the sound of quality

STATE OF THE ART

PRO DUCTION

Give your most essential space, the bathroom, a makeover!
Embrace your desire for luxury and fulfilment in the most essential area with Bell Sanitarywares.

Discover the luxurious lifestyle range of products designed to inspire and spark creativity in your everyday life. With craftsmanship, detail, and comfort at the forefront of our design philosophy, you can rely on us to make every detail count.

Revamp your bathroom and elevate your lifestyle with Bell Sanitary Wares! Get ready to be amazed at the brilliant, innovative designs and top-notch quality!

At Bell, we are dedicated to providing our customers with the highest quality sanitaryware products possible. To achieve this, we follow the European standard manufacturing process, which ensures consistent and precise production from start to finish. Our unified batch mixers play a crucial role in this process, producing ultra-refined slurry that is key to creating superior designs and finishes.

With our state-of-the-art equipment and skilled team of technicians, we are able to deliver a wide range of sanitaryware products that are not only visually stunning, but also durable and functional.

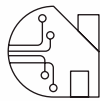

At Bell, we take pride in our commitment to excellence, and it shows in every product we produce.

THE UNWAVERING

EXPERIENCE

Our brand has been a trusted name in the industry for many years, providing exceptional products and services to our valued customers.

With luxury made affordable and a wide dealer network and display galleries around India, we are committed to providing our customers easy access to our extensive range of products. Our exquisite display galleries with decorous designs and stunning finishes are designed to offer our customers a unique, immersive experience of our products, and we encourage you to come and explore our range.

Alongwith this we do extensive promotions and branding at various mediums. Our focus is to deliver a supelative brand experience to our customers.

The individuals in catalog images do not endorse our brand; they appeared coincidentally during photography. Their presence does not imply affiliation or sponsorship.

Sanitaryware Features & Accolades

Features & Accolades

CE Certification

Our products are certified with the latest CE Mark.

ISI Certificate

Bell products are certified by ISI certificate

Advance Technology

Advance Technology Kiln with unified firing powered by eco-friendly natural gas.

ISO 14001

Certified with ISO Quality Management System and Environment Management Process.

Anti Bacterial

All our products are glazed with an anti-bacterial coating for hygiene purposes.

Trap Glazed

A very unique feature for Better Hygiene and Improved Flushing.

Syphonic Flushing

Syphonic flushing system for better and efficient flushing.

Syphonic Tornado Flush

This innovative water-saving flush technology gives better & efficient flushing with reduced noise of water flow.

Green Product

Green Products are designed and manufactured considering various flushing parameters, design, size & technological advancements to reduce water usage.

Fully Sealed & Leak Proof

Designed with a full-sealed structure, which is more effective in suppressing pipeline odour overflow, preventing air & water leakage, and breeding mosquitoes.

Compact Basin

Washbasins designed for small spaces & bathrooms.

Sirim Standard

The first of its kind Indian Brand to be accredited with SIRIM Standard certification.

Raw Material

Bell uses the finest raw materials that are purified, tested and certified through the latest lab equipment.

ISO 9001

Certified with ISO Quality Management System and Processes.

Dazzling White

Crystal clear white - 100% Opaque which gives a pleasing feel with its purity.

Stain Free

Water repellent surface that does not allow water drops to stay on the surface.

4.5/3 Ltr Flushing

Water Saving Dual Flushing technique where you choose between 4.5 or 3 litres of flushing.

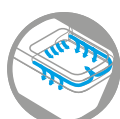

Tornado Flush

This innovative water saving flush technology gives you the powerful flow of water with reduced noise of waterflow.

4D Flush

4D flush technology, clear more faster toilet bowl & saving water more efficiently.

Rimless

The new powerful flushing technology which is antibacterial. It saves water & keeps the surface super smooth.

Vacuum Test

Vacuum test helps leak-free operation for toilets.

Blind Installation

Plain and stylish with no visible assembly points outside of wall, all fittings are totally concealed into the wall.

For Children

Specially designed for children making it easier to use for them.

Back to Wall

Ultimate Hygiene Guaranteed.

Reduce Mobility

Products to assist people with disabilities & reduced mobility.

Silent Operation

Product designed in such a way which produces low noise while flushing.

Slim Rim

This Slim Rim products will add the charm of detail and design.

Easy to Install

Designed with the comfort and ease of operation for cleaning.

Slim Soft Closing Cover

Elegantly designed a Slim Soft seat cover.

Bell Customer Care

Happy to help our customers.

Built in Jet

Comes with company-pre-fitted Jet Spray.

Special Height & Compact Toilets

WC with reduced measurements for limited spaces or small bathrooms & helping people with reduced mobility.

Soft Closing System

An innovative technology which cuts the sound and gives soft closing seat cover.

Insta Clean Cover

Effective Design of seat cover which can be easily removed for cleaning the WC and put it back.

UF Seat Cover Strong Duroplast

Made from high-quality and strong DuroPlast material with an elegant finish and dynamic look.

We thank you for choosing Bell for your home/office and wish you a very pleasant experience. Although our products are made to work for much longer period than the warranty periods, proper installation by trained technician and maintenance of the products are needed to get optimum performance. • Bell will at its choice, repair, replace, or make appropriate adjustment where its inspection discloses any such defects occurring in normal usage as per terms mentioned below. Bell is not responsible for installation costs. • Bell reserves the right to examine product in question, and its installation, prior to replacement and will replace free of charge any part that proves defective in material and manufacturing workmanship under normal installation, use and service. • The warranty is applicable from the date of purchase. • The customer must produce the VAT/GST paid invoice/warranty card in original to avail warranty service. In case the purchase has been done by the developer of the apartment, the possession letter from the developer will be treated as equivalent to bill. • The company is not liable for any damage out of faulty installation. • Use of cement is not recommended for fixing this product, recommended to use screw and silicone/plastic washer for fixing, use water proof silicone sealant to cover the gap between product and floor. • The warranty becomes null and void if installation is not done by qualified and experienced technician and/or as per the installation procedure laid down by the company. • The company is also not liable to pay for any civil or construction work required during installation of new products or replacement/repair of old products. • The company is not liable for any consequential expenses or damages. • An equivalent replacement at pro-rata basis shall be provided in case the product has been discontinued, where in the customer has to pay proportionate amount on the current MRP, given the product is within the aforementioned warranty terms. • Warranty remains applicable only if the products have at all times been used strictly in accordance with the terms of this warranty and has not been improperly or negligently handled and is not maintained in accordance to maintenance guidelines given. • In the event of non-availability of components or parts due to any reason whatsoever Company or its Authorized Service provider or the Dealer will not be responsible or liable for any delay that may be caused to service/repair of the Products; no claims financial or otherwise will be entertained. • Company and customer agree that company will not be liable for any damages whatsoever arising out of use or inability to use its Company's Products. Bell bears no responsibility for incidental or consequential damages arising out of use or inability to use Company Product. • By purchasing this product, customer agrees to Company's aforesaid warranty on the product. • Company shall not be liable to Customer claiming the warranty under the terms of condition of this Limited Warranty Certificate, due to effects caused by rodents/pets or in the events of force majeure. The Force Majeure means any disaster, act of God or the public enemy, any accident, explosion, fire, storm, earthquake, electric storms, tornado, flood, casualty, lockout, strike, labor conditions, unavoidable accident, nuclear explosion, national calamity, or any other circumstance or event or by any enactment of law, or by order of any legally constituted authority, or by any other similar cause of the Company or beyond the reasonable control of the party relying upon such circumstance or event. • Company and customer agree that Bell bears no responsibility for incidental and / or consequential damage arising out of use and for inability to use a product. Company liability will be limited and restricted to the product replacement/value of the product sold. Company under all circumstances shall not be liable to uninstall the defective product or installed replacement product. In case replacement is the only option then the customer has to hand over the defective product to the seller from whom it was purchased and take the replacement product from there.
